## Agricultural farm Dun and Dun Agro celebrate 20 years of hemp fibre

You are kindly invited to our 20th anniversary in the hemp fibre industry, and also to witness the launch of our prefab hemp concrete test line during our company presentation, scheduled to take place on Thursday 18 December 2014

On this very special day we would also like to introduce you to possibilities presented by sustainable applications of hemp products in the building industry.

Alos you are more than welcome to have a look around, view our sowing and harvesting equipment, discover the production process of fibre bales, Hempbed litter bales, meet 'little' Hempbed and find out about sustainable ecological construction using hemp concrete.
