Experience:

TUM SPORT AND HEALTH MANAGEMENT DEPT | 6/2017-7/2017 | Munich, Germany

- Short-term employee of the department
- Conducted research in Gansbaai, South Africa for my master's thesis topic "The effects of a community garden on participants' well-being in a South African township"

PROJECT ASSISTANT: ADELPHI RESEARCH | 6/2016-1/2017 | Munich, Germany

- Provided general support for SEED activities and specifically supported the communications team by writing articles, compiling content for the newsletter and promoting SEED through social media channels
- SEED is a global partnership that promotes entrepreneurship for sustainable development, and was founded by UNEP, UNDP and IUCN

WATER INTERN: UN ESCAP | 4/2016-6/2016 | Bangkok, Thailand

- Developed content for the online module "Water Resilient Sustainable Cities" which is intended for decision-makers in the Asia-Pacific region
- Attended Asia Pacific Forum on Sustainable Development (APFSD 2016) and contributed notes

WRITING CENTER TUTOR: TECHNICAL UNIVERSITY OF MUNICH | 12/2014-3/2016 | Munich, Germany

- Held one-on-one meetings with students to give feedback on English writing regarding grammar, clarity and structure (averaged eight appointments per week)
- Worked as a teaching assistant in an advanced English class

COLLEGE COUNSELOR: DIPONT EDUCATION | 8/2012- 7/2014 | Nanjing & Shenzhen, China

- Trained as a "Dipont Fellow" during the first year at Nanjing Foreign Languages School and Jinling High School; advised 35 students on writing and cultural topics and hosted workshops
- Worked at Shenzhen Foreign Languages School where I advised students one-on-one on the college application process including: researching and suggesting appropriate colleges for each student, helping develop creative writing, give essay critiques, interview preparation and general guidance

INTERN: CHINA EXPLORATION & RESEARCH SOCIETY (NGO) | 7/2012-8/2012 | Shangri-la, China

- Assisted the Education Director to create summer programs for interns and international high school student groups coming to CERS for the summer
- Acted as a tour guide and chaperone during site visits; gave a lecture on glaciers

Skills:

Computer: MS Office, Social Media, WaSiM (hydrological modeling), ArcGIS

Languages: English, Mandarin Chinese (HSK 5 certificate), German (CERF B1 certificate), basic Spanish
