

INVITATION
Upscaling hemp cultivation with the
mobile hemp decorticator D8

Where?

The Aquarium Room, [Mundo-B, Edinburgstraat 26, 1050 Brussel](#) (near metro Porte de Namur)

When?

Tuesday April 2nd, 2013 – from 13h to 16h

For whom?

Anyone interested to grow hemp, build with hemp, or use hemp for textile fabric

Wervel vzw [www.wervel.be] has the pleasure to invite you to a technical meeting that will show the potential of local processing of hemp fibre and shive.

Henri Puttonen, sales agent for [Textiles and Composite Industries Pty Ltd](#) will present a small hemp decorticator capable of processing unretted hemp. This machine produces fibre of textile quality. There will be room for questions from the audience.

Please confirm your attendance [here](#).
